

## Washington State Police/ Military K9 Trailing Handler GAK9 NTC Tactical Tracker Teams Program

Hosted by the Mason County Sheriff's Office  
Shelton, Washington  
May 8-12, 2013

### Important Announcement:

This Course Books Solid Every Year! We expect 2013 to be a stronger turnout and recommend early reservations.

This course is designed for basic to advanced dog handlers. Space is extremely limited and reservations are already being taken. This course is predominantly hands-on field work and very little time will be spent indoors. The woods will be your university. Our TTT courses are designed for the working dog handler and are taught by some of the finest veteran trailing instructors on this continent.

Registration Forms will be emailed to you at the time of payment.

This course is open to law enforcement and military.. Tactical Operations will be covered on days 4-5, eye protection is required.

Training begins promptly at 0900 hrs Day 1, and continues daily to -Day 5. All class start times are 0900 hours.

New TTT Students: Day 1 morning session is classroom instruction for approximately 3 hours.

TTT Alumni: Day 1 trailing will consist of evaluation trails, class break-down, and beginning training trails. Day 1 for HRD and Air scent is part classroom and the remainder field work.

All Students: Day 2-5 will be field trailing exercises with assigned instructor.  
Registered K9 handlers may certify with approval from their instructor on day 5.
